

Volunteer Information

Quicksilver is a non-profit organization that puts on a few events per year. Everything we do is done by volunteers. Volunteers are always needed on race day to help out at the aid stations and at the start/finish area. There are a variety of jobs and hours are flexible. All Volunteers will receive shirts and all they can eat at the great post-race barbecue, and they are guaranteed a lot of fun and "thank-yous" from the runners. In addition, those that serve over four hours may receive running shirts and attend a post-race pizza party held shortly after the race. If that is not enough, a raffle among volunteers will be held for special prizes.

For some runners, volunteer hours of service are required as a prerequisite for ultra runs like Western States. If this is your case, please let the RD know in advance so that you may be assigned to an appropriate task. Eight hours at Quicksilver meets the service requirement at Western States.

If you or someone you know is interested, just let the race director know.
